**DECLARATION**

I hereby request you to register the name of my son/daughter/ward for a place in the Daly College Business School without any assurance of admission whatsoever, the decision of the Institution being final and binding. I understand that the application fee will not, under any circumstances, be refunded. I understand that mere submission of APPLICATION FORM of my son/daughter/ward at the Daly College Business School does not in any way guarantee admission.

I certify that the information given overleaf is correct. Should any of it be found incorrect, I agree to accept any decision of the authorities arising thereof including cancellation of admission. I assure that my ward will abide by all the rules and regulations of the institution.

There is a possibility that the Government may apply taxes on fees & remittances. In the event this becomes applicable the actual cost will be passed to the parent & will become the liability of the parent. No levy has been implemented so far.

There is a possibility of revision in the British Government's policy on student visas. This is unlikely to affect us but should be kept in mind as these matters are beyond our control.

Similarly policy matters of the Government of India are subject to revision and are beyond our control. AICTE approval of our degree course is renewed annually since 2008.

I am aware that my child will be joining a twinning programme and that the third year will be done at DMU, Leicester, UK. I understand that DCBS will not offer the final year in India.
